

DECLARATION OF CONFORMITY

CTEK SWEDEN AB declares under sole responsibility that the battery chargers CTEK XS 0.8 and XS 800 (and other products based on models 1036 and 1047) to which this declaration relates, conform with the following LVD standards: SS-EN 60335-1:2012 and EN 60335-2-29:2004 + A2:2010 observing the provision of 2006/95/EG directive of 12th December 2006.

The battery chargers also conform with the following EMC standards EN 55014-1:2006 + A1:2009 + A2:2011, EN 55014-2:1997 + A1:2001 + A2:2008, EN 61000-3-2:2014 and EN 61000-3-3:2008 observing the provision of 2004/108/EG directive of 15th December 2004. The battery chargers also conform with the requirements in EN 62233:2008

The battery chargers also conform with Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment.
